Calls and electronic communications may be monitored and/or recorded for your security and may be used for training purposes. Your confidentiality will be maintained.

Thank you for taking out our Home Insurance. Your policy is provided by RSA, one of the UK's largest and oldest insurers.

If you are a home owner, it is important that you regularly maintain your property keeping it in good condition and in good repair. And if you are planning to make any home improvements such as a loft conversion or adding any room space, let us know so we can ensure you're properly covered. Please see pages 61 to 63 for full details of the changes in circumstances that you need to tell us about.

Of course, we hope you are never unfortunate enough to need to make a claim. But, if you do, you can rest assured that you will enjoy an excellent service from our team of claims specialists.

But first things first - we want to help you understand your home insurance policy. It is very important that you have sufficient cover. After all, the last thing you would want is to be under insured. That's why you can add flexible options to your policy, for example garden cover for your plants or technology and entertainment cover for your electrical equipment. That way you are covered for the things you need, without paying for the things you don't. Take a look at the options available to learn more about some of the features of our additional covers, and if you have not already chosen them, you can always give us a call to arrange them for the future.

The next few pages give you a summary of some of the covers that you may have chosen. For a full explanation of each cover, including any relevant exclusions, please see the complete section in this booklet, by following the index or the icons.

Buildings Option.

We'll cover you for the buildings of your home and other permanent structures on your land such as garages and outbuildings, drives, walls, fences and gates against damage by fire, flood, subsidence and other similar causes.

Contents Option.

We'll provide you with cover for contents in your home against loss or damage by fire, flood, storm, theft, escape of water and other similar causes.

Welcome to your Home Insurance.

(continued)

Accidental Damage.

You can add accidental damage cover to your core buildings and/or contents cover. And because this doesn't include items covered in other packages, you won't pay to insure the same things twice.

Personal Items.

From your glasses to cash or your pedal cycle, make sure you have enough cover for all your personal items, whether you are at home or out and about.

Technology and Entertainment.

If you've got electrical items like TV's, cameras and computers, make sure they are covered against accidental damage and loss, both inside and outside your home.

Home Emergency Assistance.

Access to advice and help with the cost of home emergency assistance. If your home is uninhabitable, we'll even cover alternative accommodation for you and your family.

Garden.

Protect your plants, garden furniture, lawns and tools. We'll even re-landscape your garden should emergency services ever damage it.

Legal Expenses.

Get access to a wide range of solutions, including professional mediation, concerning personal injury, consumer protection, residential, employment and tax issues.

How to use this Policy Booklet.

I want to know if I am covered for a certain item – how do I check?

Look at the index of items, pages 5-8, it will tell you which Option to read. Look at the Option. The first paragraph will tell you what the Option includes. The opposite paragraph tells you what it does not include.

So for example, a handbag – is it included?

Yes, it is included, as the Personal Items Option includes items that someone in the family wears or carries.

Finally you will need to check if there is anything under 'What Is Not Covered' that applies to the handbag and any limits for the Personal Items Option on pages 9-11, that might apply.

I want to know if I am covered for a claim – how do I check?

What caused the claim?

For example, your water tank bursts and the water leaking from it causes part of the ceiling to come down and also ruins a dining table. The cause of the claim is water escaping.

Am I covered?

The building itself is damaged (ceiling)

The contents of the house are affected (dining table)

Check your schedule, do you have both the Buildings and Contents Options insured?

Is the damage covered?

Look in both sections of the policy to see what is and is not covered under both buildings and contents and under water escaping see pages 16-22 for buildings and pages 25-32 for contents.

Finally, after you've read this information please read 'How we settle claims' pages 67-69 and the policy exclusions, policy conditions & claims conditions on pages 59-65.

How to make a claim.

When an accident happens, you should take any immediate action you think is necessary to protect property and belongings from further damage, such as switching off the gas, electricity or water.

Call the claims helpline on the number shown on page 66. Please have the policy number handy when you call. While most claims can be agreed over the phone, there may be times when we will ask you to complete a claim form and provide us with further information.

For your protection, telephone calls may be recorded and monitored.

Understanding and Using the Policy.

The policy is in two parts – the policy wording and the schedule. The policy wording explains what is and what is not covered, how claims are settled and other important information.

The schedule shows which Options of the policy apply, the amount insured and the premium. Please keep the schedule with the policy wording.

A new schedule will be sent whenever a change is made to the insurance and also each year before renewal so you can check that the cover still meets your needs.

If you have any questions please contact us. The telephone numbers are shown on the schedule.

Once you receive the policy you have 14 days to make sure the cover is exactly what you need. If it isn't, please send the documents back and ask us to make changes. Alternatively, you can ask for the policy to be cancelled and receive a full refund of premium as long as no claim has been made.

The policy does not cover repairs and work necessary to maintain the home in a good condition.

There are conditions of the insurance that you or your family will need to meet as your part of this contract on pages 61 to 63. The conditions set out the changes in circumstances that could affect your cover and when we would cancel your policy. Please take the opportunity to read the Policy Conditions.

You will need to make sure that the amounts insured shown on the schedule are kept up to date.

If the Buildings Option is chosen remember to check the amount insured if extensions or improvements such as installing double glazing, adding a fitted kitchen or conservatory are made.

If the Contents, Technology & Entertainment, Garden or Personal Items Option, is chosen remember to keep the sums insured up to date when you buy new items and make certain that items are insured for the correct amount at all times.

If we cannot agree with you on an arbitrator, the President of the Law Society (or similar organisation within the appropriate territorial limits) will choose an arbitrator. The side that loses the arbitration will pay all the costs of the arbitration. If the decision is not totally in favour of one side, the arbitrator will decide who pays the costs. If you lose, the policy will not cover these costs.

Claims conditions.

You will need to meet the claims conditions set out in the 'Conditions and exclusions' on pages 59-65 as these conditions apply to the whole policy. In addition, for this Option you must also meet the following conditions.

1. Telling us about the claim.

If anything happens which might lead to a **legal expenses** claim, you must tell us as soon as possible by filling in a claim form. You must tell us fully and truthfully in writing all the details about your claim and give us all the information that we may need. Until you have told us about the claim and we have given our written agreement, the insurer will not be responsible for any **legal expenses**. The insurer will not cover **legal expenses** involved in your representatives handling the claim before the date when we gave our written agreement. You must have told us about the claim within six months of the cause of action arising.

2. Giving our agreement.

We will agree if all of the following apply:

- We think you have a reasonable chance of winning your case and achieving a reasonable outcome.
- The **legal proceedings** arise from a cause of action which is covered by this insurance. This cause of action must happen within the **territorial limits** and during the **insurance period**.
- The **legal proceedings** will be dealt with in a court within the **territorial limits**.
- You have kept to the terms and conditions of the policy and none of the exclusions listed on page 55 apply.

In circumstances where we have chosen a **representative** to act on your behalf we will pay **legal expenses** incurred for providing the initial assessment of the claim irrespective of the prospects of success or whether the claim is covered under this policy.

Where you have chosen your own **representative** any legal expenses incurred in providing initial assessment shall only be covered where there are reasonable prospects of

Legal Expenses Option.

Claims conditions. (continued)

successfully pursuing or defending the **legal proceedings** and the claim is covered under all other terms and conditions of the policy.

The decision to grant consent will take into account the advice of **your representative** as well as that of our own advisers. **We** may require, at **your** expense, an opinion of Counsel on the merits of the **legal proceedings**. If the claim is subsequently admitted **your** costs in obtaining such an opinion and providing such advice will be covered under this insurance.

If, during the claim, **we** think that there is no longer a reasonable chance of **your** winning the case and achieving a reasonable outcome, **we** may not continue to support **your legal proceedings**. If **we** do not carry on with **your** claim, **we** will tell **you** why.

If **you** decide to commence or continue **legal proceedings** for which **we** have denied support under this Claims Settlement Condition and are successful, **we** will pay **legal expenses** as if **we** had given our consent in the first instance.

3. Choosing a representative.

In the period before **Court** papers need to be issued (or have been received) **we** may refer **your** case to a suitably qualified **representative** to act on **your** behalf.

At the point where **Court** papers need to be issued (or have been received), or where there is a conflict of interest, **you** are free to choose a suitably qualified **representative**.

You will need to satisfy **us** that **your representative** has the appropriate experience and skills to handle **your** claim.

Where **we** agree to the appointment of a **representative** of **your** choice **you** must confirm that **your representative** will not charge more than a **representative** chosen or suggested by **us**, or that **you** will pay any difference between **your** chosen **representative's** fees and those of a **representative** chosen or suggested by **us**. **We** will not pay **your** choice of **representative** more than **we** would pay **our** own choice of **representative**.

In selecting the **representative** **you** shall have a duty to minimise the cost of **legal proceedings**. If **your** choice of **representative** has to undertake work to familiarise themselves with the work already undertaken on the case, **we** will not pay for this work to be done. Any **representative** **you** choose is appointed to act for **you**.

If **we** and **you** cannot agree whether **court** papers need to be issued or the choice of **representative**, **you** can take the matter to an independent arbitrator. This process is set out on page 56.

4. Rights and responsibilities.

You must tell **us** if an offer is made to settle the dispute. **You** must not negotiate or agree to settle the dispute without getting **our** agreement beforehand. If **you** do not accept a reasonable offer to settle the dispute, **we** may not continue to support **your** claim.

You must send **us** all bills for the **representative's** legal expenses as soon as **you** receive them. **You** must confirm to **us** that any charges **you** have to pay for the **representative** handling this dispute are acceptable and that **we** may pay the bill for **you**.

You and **your representative** must take every step to recover **legal expenses**. **You** must pay any recovered **legal expenses** to **your representative** who must then refund any **legal expenses** which the insurer has paid or has been asked to pay.

Legal Expenses Option.

(continued)

Claims conditions. (continued)

If the insurer pays legal expenses up to the policy limit and you pay more legal expenses to end your case, the insurer and you will share any legal expenses that are recovered.

The insurer and you will each receive the same percentage as originally paid.

5. Information your representative will need from you.

You must give your representative all the information and help he or she may need. This will include a truthful account of the facts of your case and any paperwork to do with your case. You owe the same obligations to us as to your representative.

6. What you and your representative must do for us.

We must be able to contact your representative. You and your representative must co-operate and tell us about developments to do with your case. If we ask for this, we must be able to have access to your representative's files. This includes the truthful account of the facts of your case and any paperwork you have supplied to your representative.

If your representative wants to consult a barrister or expert witness, we will agree if we think it is reasonable. You must give us the name of the barrister or expert witness, and the reasons why you need one.

7. Appealing against a court's decision.

If you want to appeal against a court's decision, you must give us your reasons for bringing the appeal. We will give you our agreement if all of the following apply.

- You tell us that you want to appeal as soon as your right of appeal arises. This is because strict time limits may apply.
- The appeal arises from legal proceedings to which we have already given our agreement under the terms of claims condition 2 on page 56.
- Your appeal meets the requirements of claims condition 2 in the same way as your initial claim for legal expenses.

8. What action we may take.

We may take over, in your name, all legal action in any of the following circumstances:

- If the dispute is for an amount which is under £5,000 or if the dispute could be dealt with by the small claims court.
- If you take legal action against someone or defend a case without our agreement, or in a different way from that advised by your representative.
- If you do not give proper instructions to your representative or barrister in time.
- If you cause a delay and your representative thinks it will harm your case.

In these circumstances, we may carry out our own investigation and try to settle your dispute. You must agree to a settlement which is reasonable.

If we ask, you must tell your representative to get the court to tax your legal expenses, or get the Law Society to certify them according to the Solicitors Act 1974 or the Solicitors Remuneration Order 1972.

If you withdraw from defending a full enquiry by the Inland Revenue without our agreement, we will be entitled to recover from you any amounts the insurer paid during the defence.

In some circumstances **your policy** might be invalid.

Taking care.

Your family must take all reasonable steps to avoid incurring liability and prevent loss or damage to everything which is covered by this insurance and to keep all the property insured in good condition and in good repair.

- **you** are going to move home permanently;
- someone other than **your family** is going to live in the home;
- the home is going to be used for less than 6 days each week or as a holiday home;

In some circumstances **your** policy might be invalid, and **you** may not be entitled to a refund of premium.

Conditions and Exclusions.

Policy Conditions. (continued)

Fraud.

If dishonesty, exaggeration or false documentation is used by **your family** or anyone acting on behalf of **you** or **your family** to obtain or support:

- a claims payment under **your** policy; or

all benefits under this policy will be lost, the policy may be invalid, **you** may not be entitled to a refund of premium and legal action may be taken against **you**.

Transferring your interest in the policy.

You cannot transfer **your** interest in this policy to anyone else without **our** written permission.

Cancelling the policy

If **you** wish to cancel **your** policy please write to **us** at the address or call the number shown on **your** schedule. If **you** cancel the policy **you** may be entitled to a refund of premium provided that no claim has been made during the current **insurance period**.

Cancellation by you within the first 14 days

If **you** cancel the policy within 14 days of the date **you** receive **your** policy documents, **we** will refund the premium provided no claim has been made during the current **insurance period**.

Cancellation by you after the first 14 days

If **you** cancel the policy after 14 days of the date **you** receive **your** policy documents, **we** will refund premiums already paid for the remainder of the current **insurance period**, provided no claim has been made during the current **insurance period**.

Where we cancel your policy

Please also refer to the Fraud condition on this page of the policy and to the Changes in Circumstances condition on page 61 of this policy.

We may also cancel the policy where **we** have identified serious grounds, including but not limited to;

- the use or threat of violence or aggressive behaviour against **our** staff, contractors or property;
- the use of foul or abusive language;
- nuisance or disruptive behaviour

we will contact **you** at **your** last known address and, where possible, seek an opportunity to resolve the matter with **you**. Where a solution cannot be agreed between **us**, **we** may cancel the policy by giving **you** 14 days notice.

Conditions and Exclusions.

(continued)

This will not affect **your** right to make a claim for any event that happened before the cancellation date. If **we** cancel the policy **we** will refund premiums already paid for the remainder of the current **insurance period**, provided no claim has been made during the current **insurance period**.

We also reserve the right to terminate the policy in the event that there is a default in the instalment payments due under any linked schedule of payments, by giving **you** 14 days notice at **your** last known address.

Cancelling the monthly premium instalment agreement.

Your policy has a normal **insurance period** of 12 months and **your** legal contract with **us** is for this period. **You** may have asked and **we** may have agreed for **your** annual premium to be paid on a monthly basis by instalments.

We reserve the right to terminate the policy in the event that there is a default in instalment payments due under any linked schedule of payments.

If **you** want to cancel **your** linked schedule of payments but not **your** policy, **you** must contact **us** at the address given on the front of **your** schedule. **We** can then tell **you** how much **you** will have to pay for the rest of the **insurance period**. If this amount is not paid by the date given in **our** reply to **you**, then all cover under **your** policy will be cancelled from this date.

Financial Sanctions.

We shall not provide any cover or be liable to provide any indemnity, payment or other benefit under this policy to the extent that the provision of such cover, indemnity, payment or other benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States or other country of policy issue.

If any such resolution, sanction, law or regulation takes effect during the **insurance period** **we** may cancel this policy immediately by giving **you** written notice at **your** last known address.

Conditions and Exclusions.

Claims Conditions.

These are the claims conditions **you** and **your family** will need to keep to as **your** part of this contract. If **you** do not, a claim may be rejected or payment could be reduced. In some circumstances **your** policy might be invalid.

If anything happens which might lead to a claim, what **you** must do depends on what has happened. The sooner **you** tell **us** the better. In some cases, there are other people **you** must contact first.

When an incident occurs which may result in a claim, **you** must also read the information on 'How to make a claim' on page 66.

You should also check the information on 'How **we** settle claims' for each Option of **your** policy which covers the loss or damage, e.g. contents, buildings.

What you must do.

If **you** or **your family** are the victim of theft, riot, a malicious act or vandalism, or if **you** or **your family** lose something away from the home, tell the police immediately upon discovery and ask for a crime reference number and tell **us** as soon as **you** can, or in the case of riot tell **us** immediately.

If **you** wish to make a claim under Home Emergency Assistance **you** must report any situation to **us** immediately upon discovery;

If someone is holding any of **your family** responsible for an injury or any damage, no one in **your family** must admit responsibility. Give **us** full details in writing as soon as **you** can and any claim form, application notice, legal document or other correspondence sent to **your family** must be sent to **us** straightaway without being answered.

For all other claims, tell **us** as soon as **you** can.

You should do all **we** reasonably ask **you** to do to get back any lost or stolen property.

Do not throw away any damaged items before **we** have had a chance to see them, or carry out any non-emergency repairs before **we** have had a chance to inspect them.

To help **us** deal with **your** claim quickly, **we** may require additional information which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs, bank or credit card statements, utility bills, pre-purchase surveys, or plans or deeds of **your** property
- Purchase dates and location of lost or damaged property;
- For damaged property, confirmation from a suitably qualified expert that the item **you** are claiming for is beyond repair

Conditions and Exclusions.

(continued)

Claims Conditions. (continued)

Where **we** have asked **you** for specific information relevant to **your** claim **we** will pay for any reasonable expenses **you** incur in providing **us** with the above information.

Rights and responsibilities.

We may need to get into a building that has been damaged to salvage anything **we** can and to make sure no more damage happens. **You** must help **us** to do this but **you** must not abandon **your** property to **us**.

You must not settle, reject, negotiate or offer to pay any claim **you** have made or intend to make under this policy without **our** written permission. **We** have the right, if **we** choose, in **your** name but at **our** expense to:

- take over the defence or settlement of any claim;
- start legal action to get compensation from anyone else;
- start legal action to get back from anyone else any payments that have already been made.

You must provide **us** with any information and assistance **we** may require about any claim. **You** must help **us** to take legal action against anyone or help **us** defend any legal action if **we** ask **you** to.

When **you** call **us** **we** will advise **you** of **our** requirements, which will be either:

- ask **you** to get estimates for building repairs or replacement items; or
- arrange for the damage to be inspected by one of **our** Claims Advisors or an independent loss adjuster or other expert – their aim is to help **us** agree a fair settlement with **you**; or
- arrange for the repair or a replacement as quickly as possible.

Where **we** have asked **you** for specific information relevant to **your** claim **we** will pay for any reasonable expenses **you** incur in providing **us** with the above information.

Other insurance.

If **you** claim under this policy for something which is also covered by another insurance policy, **you** must provide **us** with full details of the other insurance policy. **We** will only pay **our** share of any claim.

Conditions and Exclusions.

How to make a claim – call us on 0800 197 1613.

- The cause of the loss or damage
- Details of the loss or damage together with claim value if known

Sometimes **we** may wish to meet with **you** to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

How we settle claims.

For all claims except Legal Expenses.

Matching items.

We will not pay for:

- any loss of value to undamaged items in a matching set as a result of another item in the set being lost or damaged;
- replacing or changing undamaged items which belong to a set or suite or which have a common design or use when the damage is restricted to a specific part or clearly defined area. For example each separate item of a matching set of sanitary fittings, fitted kitchen units, matching sofas and chairs or other fixtures and fittings is regarded as a single item.

Each separate item of a matching set is regarded as a single item.

We will only pay for lost or damaged items and not for the cost of replacing, recovering or remodeling undamaged pieces, or pieces which have not been lost or damaged.

For all claims except Home Emergency Assistance and Legal Expenses.

Where **you** have to pay an excess this will be taken off the amount of **your** claim.

How we settle claims for buildings

We will pay for the cost of work carried out in repairing or replacing the damaged parts of the buildings and agreed fees and related costs.

The amount **we** will pay where repairs are carried out will not exceed the lesser of:

- The cost of the work had it been completed by **our** nominated contractor or
- The cost of the work based upon the most competitive estimate or tender from **your** nominated contractors.

If the repair or replacement is not carried out, **we** will pay the lesser of:

- The decrease in market value of the buildings due to the damage
- The cost of the work had it been completed by **our** nominated contractor if the repair work had been carried out without delay
- The cost of the work based upon the most competitive estimate or tender from **your** nominated contractors if the repair work had been carried out without delay.

All building repairs carried out by **our** preferred suppliers and insured under the Buildings section of this policy are guaranteed for 12 months in respect of quality of workmanship.

No allowance will be made for VAT when a cash settlement is made.

Conditions and Exclusions.

How we settle claims. (continued)

If the buildings have not been kept in a good state of repair or if the sum insured at the time of the loss or damage is less than the cost of rebuilding all the buildings in the same way, size, style and appearance as when they were new, including fees and related costs, **we** will pay the cost of repairing or replacing the damaged parts of the buildings and **we** will, where appropriate, take off an amount for wear and tear.

The most **we** will pay for any one claim, including fees and related costs, is the amount it will cost **us** to repair the damage to the buildings in the same way, size, style and appearance as when they were new, but not more than the sum insured shown on the schedule or the limits in this policy wording.

How we settle claims for Contents, Personal Items, Technology & Entertainment and Garden Options.

- 1 a. Where the damage can be economically repaired **we** will pay the cost of repair
- b. Where the damage cannot be economically repaired and the damaged or lost item can be replaced, **we** will replace it. If a replacement is not available **we** will replace it with an item of similar quality.
- c. Where **we** are unable economically to repair or to replace an item with an item of similar quality, **we** will agree a cash payment with **you** based on the replacement value.
- d. Where **we** can offer repair or replacement through a preferred supplier, but instead **you** request and **we** agree to pay a cash settlement, then the amount will not normally exceed what **we** would have paid our preferred supplier.
- 2 **We** will not pay for any loss of value to any item which **we** have repaired or replaced.
- 3 The most **we** will pay for any one claim is the amount it will cost **us** to replace all **your** items insured under the Options **you** have selected as new but not more than the sum insured or any limits shown on the schedule or in this policy wording.
- 4 If loss or damage happens and the sum insured on the schedule is less than the cost of replacing all **your** items as new **we** will, where appropriate, take off an amount for wear and tear from the cost of the new item unless the item can be economically repaired when only the cost of the repair will be paid.

How we settle claims for Home Emergency Assistance.

The Home Emergency Assistance Option covers **you** against the costs of certain household situations, which **you** will find described in 'What is covered' in this Option. It does not cover everything which **you** might regard as an emergency. It does not cover normal day to day household maintenance or repairs which need to be carried out periodically, such as descaling water pipes or curing leaking taps.

Conditions and Exclusions.

How we settle claims. (continued)

An authorised tradesman is approved and instructed by us and is competent to provide domestic repair services appropriate to the situation. Payments will be made directly to our contractor.

If the claim is a result of an incident which is also covered under the Buildings Option or the Buildings Accidental Damage Option of your policy, you may be able to claim for any further repair costs under that Option. Please call our claims helpline on 0800 1971610 and we will be happy to check this for you.

We will not pay for any inconvenience, loss or damage caused by delay in the provision of spare parts or components by manufacturers or suppliers; Spare or replacement parts may not be from the original manufacturer.

No claims discount.

This part of the policy explains how No claim discount works and only applies if 'No claim discount' is shown on your schedule.

If no incident occurs during the **insurance period** which results in a claim under the Buildings, Contents, Personal Items, Technology & Entertainment or Garden Options your No claim discount will increase in line with our scale at the renewal of the policy.

For each incident that occurs during the **insurance period** which results in a claim under the Buildings, Contents, Personal Items, Technology & Entertainment or Garden Options, your No claim discount may reduce in line with our scale at the renewal of the policy. The No claim discount will not be reduced for claims under the Personal Items Option, resulting from unauthorised transactions arising from the use of a lost or stolen credit, debit, charge or cash dispenser card.

You cannot transfer your No claim discount to anyone else.

Thank you for your feedback.

We value your feedback and at the heart of our brand we remain dedicated to treating our customers as individuals and giving them the best possible service at all times. If we have fallen short of this promise, we apologise and aim to do everything possible to put things right.

How we use your information.

Your privacy is important to us and we are committed to keeping it protected. We have created this Customer Privacy Notice which will explain how we use the information we collect about you and how you can exercise your data protection rights. This privacy notice will help you understand the following:

Who are we?

We are Royal & Sun Alliance Insurance plc (RSA), we provide commercial and consumer insurance products and services under a number of brands. We also provide insurance services in partnership with Yorkshire Bank.

Why do we collect and use your personal information?

As an insurer, we need your personal information to understand the level of insurance cover you require. We will use this information (e.g. your name, address, telephone number and email address) to communicate with you.

We need to use your information to create a quote for you, allowing you to buy insurance products from us. When buying a product from us, you'll also need to provide us with details about the items you wish to be covered by the insurance (e.g. car make and model, your home).

We may need to check information you have submitted with external companies/organisations (e.g. the DVLA, the Motor Insurance Database, credit reference agencies and criminal conviction checks.) When buying certain products, sometimes we will ask for special categories of personal data (e.g. driving offences for motor insurance, medical records in case of injury).

Once you become a customer, we will need to take your payment details to set up your cover. This could be direct debit, credit or debit card information. To service your policy, we might contact you via our website, emails, telephone calls or post. When using these services we might record additional information, such as passwords, online identifiers and call recordings.

For some of our products, we may collect information through smart sensors to assess your insurance needs (e.g. a black box installed in your vehicle when you buy a telematics driving product, which collects and uses geo-location and driving behaviour data).

If you need to claim against your insurance policy, we will need to collect information about the incident and this may be shared with other selected companies to help process the claim. If other people are involved in the incident, we may also need to collect additional information about them which can include special categories of personal data (e.g. injury and health data).

In submitting an application to us, you may provide us with equivalent or substantially similar information relating to other proposed beneficiaries under the policy. You agree that you will bring this Privacy Notice to the attention of each beneficiary at the earliest possible opportunity.

Data protection laws require us to meet certain conditions before we are allowed to use your personal information in the manner described in this Privacy Notice. To use your personal information, we will rely on one or more of the following grounds:

- **Performance of contract:** We need to use your personal information in order to provide you with the policy (which is a contract of insurance between you and us), and perform our obligations under it (such as making payments to you in respect of a claim made under the policy).
- **Consent:** In certain circumstances, we may need your consent unless authorised by law in order to use personal information about you which is classed as "special categories of personal data". For marketing, you will always be given a choice over the use of your data.
- **Necessity to establish, exercise or defend legal claim:** If you, or we, bring a legal claim (e.g. a court action) against the other, we may use your information in either establishing our position, or defending ourselves in relation to that legal claim.

How we use your information.

(continued)

- **Compliance with a legal obligation:** Where laws or regulations may require us to use your personal information in certain ways.
- **Legitimate Interests:** We will also process your personal information where this processing is in our "legitimate interests". When relying on this condition, we are required to carry out a balancing test of our interests in using your personal information (for example, carrying out market research), against the interests you have as a citizen and the rights you have under data protection laws. The outcome of this balancing test will determine whether we can use your personal information in the ways described in this Privacy Notice. We will always act reasonably and give full and proper consideration to your interests in carrying out this balancing test.

Where else do we collect information about you?

Where possible, we will collect your personal information directly from you. However, on occasion we may receive details about you from other people or companies. For example, this might happen if:

- It was given to us by someone who applied for an insurance product on your behalf (e.g. an insurance broker, a family member) where you have given them the permission to do so; or
- It was supplied to us when you purchased an insurance product or service that is provided by us in partnership with other companies; or
- It was lawfully collected from other sources (e.g. Motor Insurance Database, Claims and Underwriting Exchange or fraud prevention databases) to validate the information you have provided to us.

We request those third parties to comply with data protection laws and to be transparent about any such disclosures. If you would like some further information, please contact us.

Will we share your personal information with anyone else?

We do not disclose your information outside of RSA except:

- Where we need to check the information you gave to us before we can offer you an insurance product (e.g. reference agencies);
- Where we are required or permitted to do so by law or relevant regulatory authority (e.g. financial crime screening, fraud detection/prevention);
- Where we provide insurance services in partnership with other companies (e.g. building societies, large retailers);
- In the event that we are bought or we sell any business or assets, in which case we will disclose your personal information to the prospective buyer of such business or assets;
- As required to enforce or apply this Privacy Notice, or the contract of insurance itself;
- Within our group for administrative purposes;
- As required in order to give effect to contractual arrangements we have in place with any insurance broker and/or intermediary through which you have arranged this policy;
- With healthcare providers in the context of any relevant claim being made against your policy;
- If we appoint a third party to process and settle claims under the policy on our behalf, in which case we will make your personal information available to them for the purposes of processing and settling such claims;
- With our third party service providers (including hosting/storage providers, research agencies, technology suppliers etc.);
- With our reinsurers (and brokers of reinsurers) in connection with the normal operation of our business;

How we use your information.

(continued)

Sometimes your personal information may be sent to other parties outside of the European Economic Area (EEA) in connection with the purposes set out above. **We** will take all reasonable steps to ensure that your personal information is treated securely and in accordance with this Privacy Notice, and in doing so may rely on certain "transfer mechanisms" such as the EU-US Privacy Shield, and the standard contractual clauses approved by the European Commission. If you would like further information please contact us.

Which decisions made about you will be automated?

Before **we** can offer you an insurance product or service, **we** may need to conduct the following activities, which involve automated (computer based) decision-making:

- **Pricing and Underwriting** – this process calculates the insurance risks based on the information that you have supplied. This will be used to calculate the premium you will have to pay.
- **Credit Referencing** – using the information given, calculations are performed to evaluate your credit rating. This rating will help **us** to evaluate your ability to pay for the quoted products and services.
- **Smart Sensor Data Analytics** – an insurance product that collects your information using smart sensors (e.g. in car black box) to calculate your insurance risk (e.g. driving score). This may then be used to determine your policy rewards (e.g. cash back for safe driving) and to calculate your policy renewal premium.
- **Automated Claims** – some small claims may qualify for automated processing, which will check the information you provide, resulting in a settlement or rejection of your claim.

The results of these automated decision-making processes may limit the products and services **we** can offer you. If you do not agree with the result, you have the right to request that **we** perform a manual reassessment using the same information that you originally provided. If you wish to do so please contact **us**.

For how long will **we** keep your information?

Your personal information will be retained under one or more of the following criteria:

- Where the personal information is used to provide you with the correct insurance cover, which will be kept as long as it is required to fulfil the conditions of the insurance contract.
- Where the use of your personal information for a specific purpose is based on your consent, it will be kept for as long as **we** continue to have your consent (e.g. **we** would stop contacting you for marketing purposes once you have asked **us** to).
- Where, for a limited period of time, **we** are using some of your information to improve the products or services **we** provide.
- For as long as your information is required to allow **us** to conduct fraud and/or criminal checks and investigations.

Your information is incorrect what should you do?

If you hold a product or service with **us** and think that the information **we** hold about you is incorrect or incomplete, please contact **us** and **we** will be happy to update it for you.

What are your rights over the information that is held by RSA?

We understand that your personal information is important to you, therefore you may request the following from **us** to:

1. Provide you with details about the personal information **we** hold about you, as well as a copy of the information itself in a commonly used format. [Request Ref: DSR 1]

How we use your information.

(continued)

2. Request your personal information be deleted where you believe it is no longer required. Please note however, **we** may not be able to comply with this request in full where, for example, you are still insured with **us** and the information is required to fulfil the conditions of the insurance contract. [Request Ref: DSR 2]
3. Request the electronic version of the personal information you have supplied to **us**, so it can be provided to another company. **We** would provide the information in a commonly used electronic format. [Request Ref: DSR 3]
4. Request to restrict the use of your information by **us**, under the following circumstances [Request Ref: DSR 4]:
 - a. If you believe that the information **we** hold about you is inaccurate, or;
 - b. If you believe that **our** processing activities are unlawful and you do not want your information to be deleted.
 - c. Where **we** no longer need to use your information for the purposes set out in this Privacy Notice, but it is required for the establishment, exercise or defence of a legal claim.
 - d. Where you have made an objection to **us** (in accordance with section 5 below), pending the outcome of any assessment **we** make regarding your objection.
5. Object to the processing of your data under the following circumstances [Request Ref: DSR 5]:
 - a. Where **we** believe it is in the public interest to use your information in a particular way, but you disagree.
 - b. Where **we** have told you **we** are using your data for **our** legitimate business interests and you believe **we** shouldn't be (e.g. you were in the background of a promotional video but you did not agree to be in it.)

In each case under section 5 above, **we** will stop using your information unless **we** can reasonably demonstrate legitimate grounds for continuing to use it in the manner you are objecting to.

If you would like to request any of the above, please contact **us** and submit a written request, including the request reference (e.g. DSR 1), as this will speed up your request. To ensure that **we** do not disclose your personal information to someone who is not entitled to it, when you are making the request **we** may ask you to provide **us** with:

- Your name;
- Address(es);
- Date of birth;
- Any policy IDs or reference numbers that you have along with a copy of your photo identification.

All requests are free of charge, although for requests for the provision of personal information **we** hold about you (DSR1) **we** reserve the right to charge a reasonable administrative fee where, **we** believe an excessive number of requests are being made. Wherever possible, **we** will respond within one month from receipt of the request, but if **we** don't, **we** will notify you of anticipated timelines ahead of the one month deadline.

Please note that simply submitting a request doesn't necessarily mean **we** will be able to fulfil it in full on every occasion - **we** are sometimes bound by law which can prevent **us** fulfilling some requests in their entirety, but when this is the case **we** will explain this to you in **our** response.

How we use your information.
